## FROM THE PASTOR'S DESK

### EASTER - SIGNS OF CHRIST'S NEW LIFE

In the Church's liturgical year, Easter is far more than just a one-day celebration. Easter is actually a seven-week season that begins at sundown the evening before Easter Sunday and lasts for six more Sundays until Pentecost. Signs of Christ's new life fill the Church during this season, such as the color white, representing Christ's victory over death; and a large Easter candle reminding us that Christ is the light of the world.

Easter is a time of new promise, new life and new energy. If we look around at the beauty of nature in spring, we are reminded again of the glorious resurrection of Jesus. The dark, cold, days of winter are giving way to green grass and eventually, flowers. Easter is truly a time of newness in our Church and in our world.

We often see death prevail over life. It happened also with Christ. The first reading tells us his story; he loved us so much that he gave up his life for us; but just when everything seems to end in failure, God intervenes and raises his faithful servant from the dead. This is the message of the two Gospel passages. The second reading instead tells us that the victory of his life must be made manifest in our lives through our deeds.

**I wish you all a Happy Easter!**
